

# AUSTRALIAN PROSTHODONTIC SOCIETY

## 2023 RESEARCH GRANT APPLICATION

The Australian Prosthodontic Society is pleased to announce that the 2023 round of research grants in prosthodontics is available.

Applications are invited from Australian Prosthodontic Registrars undertaking a university-based, prosthodontic project. These applications will be assessed on merit, with grants up to \$4000.00 awarded to successful applicants.

**REQUIREMENTS**      Research project in prosthodontics.

**FUNDING**              Research grants up to \$4000.00 (merit-based).

**MECHANISM**          The completed application form should be sent to the Chair of the APS Education and Research Committee (see the back page).

**CLOSING DATE**       Applications must be received by Friday 30 June 2023.

### APPLICANT'S DETAILS

Full name

Academic qualifications

Mailing address

Mobile phone number

Email address

*Please attach a short biography to this application*

## RESEARCH PROJECT OUTLINE

Research project title

University name

Project supervisor(s)

Name  
Position  
Email

Name  
Position  
Email

Name  
Position  
Email

Applicant's position

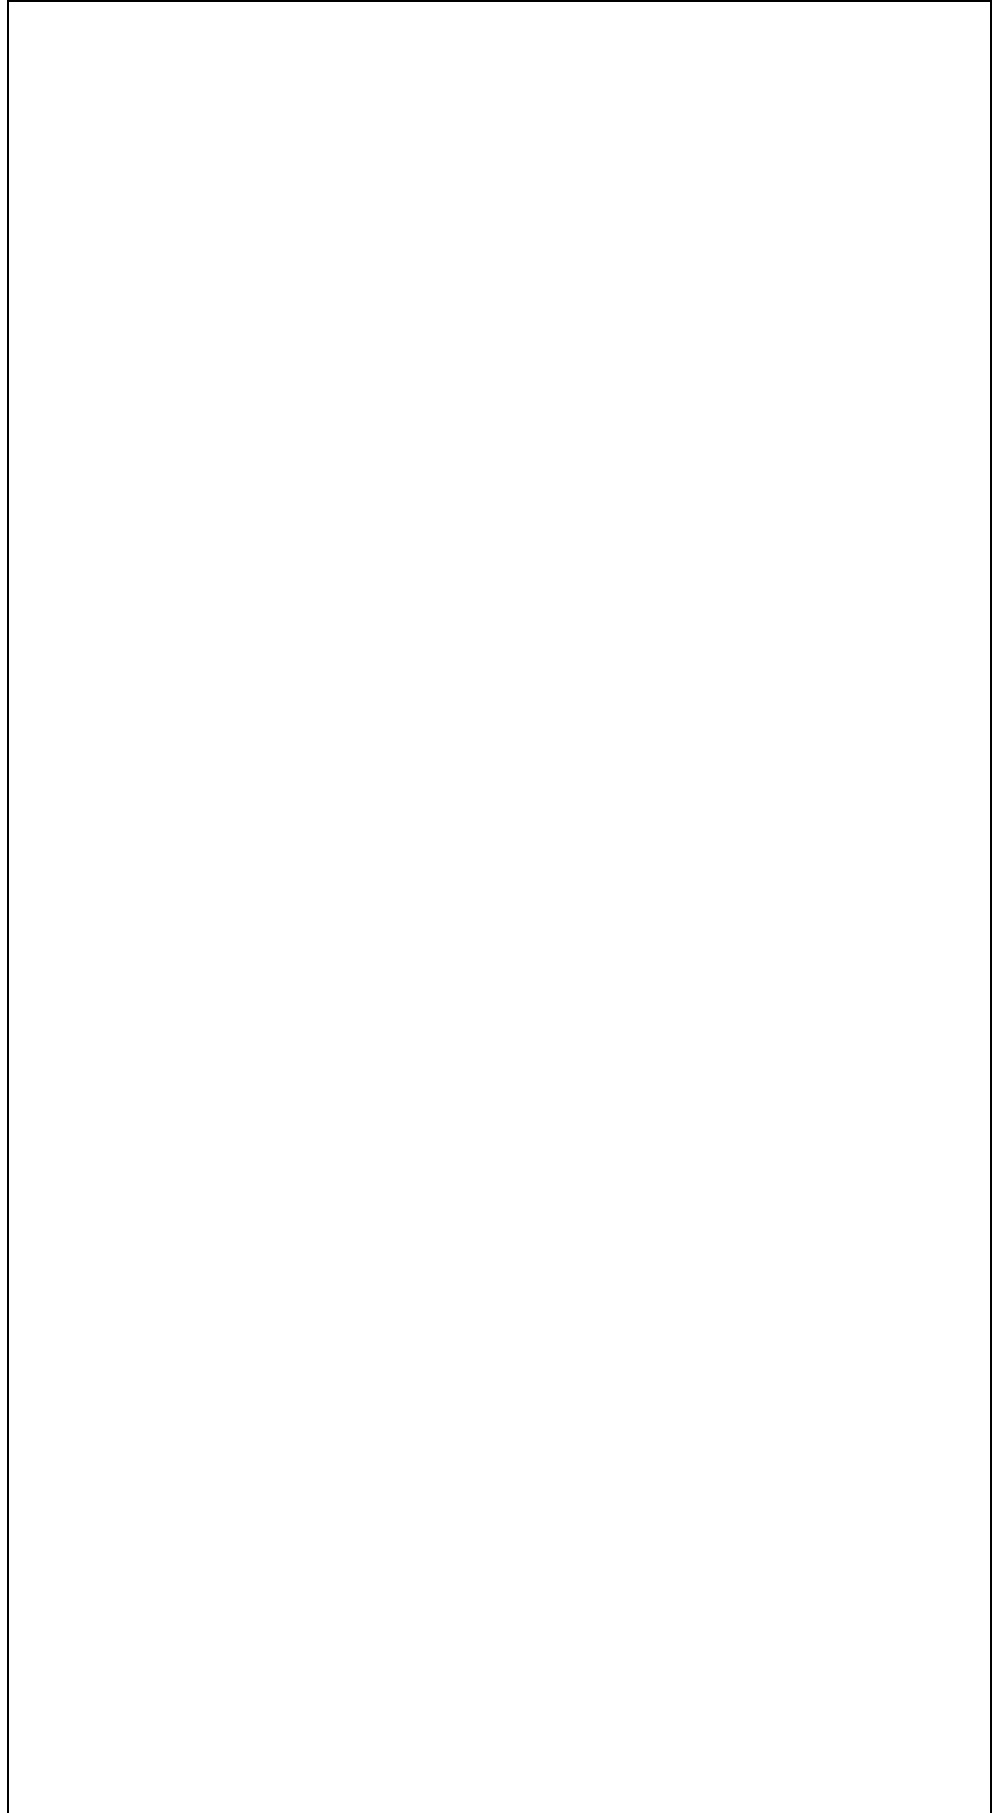

Project start date

Research hours per week

Estimated finish date

## RESEARCH PROJECT DETAILS

Aims / objectives of  
the research project

A large, empty rectangular box with a thin black border, intended for the user to write the aims and objectives of the research project. The box is positioned to the right of the text label.

**Benefit(s) of the research**

How may this research contribute to the existing knowledge base?

Description of the research project

For example:

- PICO question
- Null hypothesis
- Methodology
- Materials
- Statistical analysis

A large, empty rectangular box with a thin black border, occupying the right two-thirds of the page. It is intended for the user to write a detailed description of their research project, following the examples provided on the left.

Description of the  
research project  
(continued)

--

## Bibliography

Please list up to ten (10) references that relate to your area of research.

**Budget for the project**

Please list the estimated expenses for the project with brief explanations for each

Equipment and apparatus	
Consumable supplies	
Other costs	
Total budget	

## OTHER FUNDING SOURCES

Outline any other funding you have received for this project.

## CONFLICTS OF INTEREST

Outline any potential conflicts of interest relating to this APS grant application.

## RESEARCH CERTIFICATIONS

Department Head

Name

Position

Email

I certify that this research project is appropriate to the general facilities of my department and that I am prepared to support this research within this department.
